

## MAIN POINT

You do not have to live as a product of your fears or insecurities! You are a child of God and when He has created you he has equipped, empowered, and encouraged you for the tasks He has for you.

## DISCUSSION QUESTIONS

What is a fear you have, funny or serious?

Read Exodus 4

---

Both Moses and King George VI (Berty) had a huge task ahead of them and seemingly neither of them were equipped with the tools to accomplish their tasks. In both cases, they were equipped with the tools, in very different ways. God used Aaron to speak for Moses, and Lloyd, the therapist taught Berty, not only the skills but to believe in himself.

What are some other examples of people God used for huge tasks and in what ways did He equip them to accomplish their tasks?

---

Paul says to Timothy in 1 Timothy 1:7 that the Spirit of God does not give us a spirit of fear, but of power, love, and self discipline. Moses, Berty, and others across history though are filled with fear in the midst of their obstacles.

In your experience, how does God empower you to follow His will?

---

Read Hebrews 11

In the midst of real adversity, there's a massive amount of discouragement.

Share a time that you were really discouraged.

## APPLICATION QUESTIONS

Name a tool or share a person that God has equipped you with that has helped you to accomplish the tasks He has for you.

When do you feel the most empowered by God?

Encourage someone right now in your group by telling them what they have meant in your life.
